**To Whom It May Concern**

**PUBLIC POWER CORPORATION (PPC) S.A.** is the biggest power producer and electricity supply company in Greece with more than 7,5 million customers. It is also the owner of the national electricity transmission system, as well as of the distribution networks.

PPC S.A. hereby confirms its collaboration with company "E. & K. TASSIS CO", Greece during the last fifteen (15) years.

Since 1997, the company "E. & K. TASSIS CO" has supplied PPC S.A. with the products mentioned in the attached list of Contracts with excellent product quality and support in the areas of products such as terminal clamps, alignment joints, torsions, supply poles, sound - proof distribution transformers skids, metal accessories for aerials bundled cables M.V. etc.

The supplied products comply with the standards and technical specifications which are required by PPC S.A.

The company is consistent with its obligations and till today there has been no problem to our collaboration.

We can confidently recommend "E. & K. TASSIS CO", as a solid and reliable Supplier, and as experts in their field.

The present Constitutive Letter is provided after Supplier's request.

I. Stavropoulou  
Director of Distribution Materials,  
Purchasing and Transportation Department
